Crans-Montana, Switzerland offers an impressive view of the majestic peaks from the Matterhorn to Mont Blanc. High above the Rhone valley and close to Lake Geneva offers many historic locations to visit. Roger Moore, of “007” fame, has a chalet in Montana. The location captures the charm of Old World Alpine life with the vibrancy of European skiing at its best. One night stay in Zurich (breakfast included) to rest up for the trip home or onward to Prague, Czech Republic.

Prague, known as “Maticka Praha” (little mother Prague) was largely undamaged by WWII and the cityscape is stunning. Its compact medieval centre remains an evocative maze of cobbled lanes, ancient courtyards, dark passages and churches beyond numbers all watched over by an 1100-year-old castle.

**LODGING:** Lodging in Crans-Montana is at the 4-star **HOTEL DE L’ETRIER**. The hotel is located in the upscale town of Crans and 5 minutes from the ski area. The hotel is owned by the Family Bestenheider, our hosts. Daily breakfast buffet and dinner are included. Lodging in Zurich will be at the ultra modern NOVOTEL Zurich West.

Lodging in Prague is at the 4-star **HOTEL FENIX** located in New Town just a few steps away from Wenceslas Square. The historical Old Town Square is within walking distance. Daily breakfast buffet included.
